SPECIAL OPPORTUNITY FUNDING GUIDELINES AND APPLICATION

Special Opportunity Funding (“SOF”), a project of Untitled artist group, is an artist-driven alternative source of funding and support designed to help individual artists take advantage of unique opportunities that will significantly benefit their work or career development, or to aid artists faced with unusual needs. Visual artists may request grants in amounts ranging from \$100 to \$1,000 for specific works in progress, upcoming opportunities, or special needs. Untitled does not provide general subsidies for an artist’s ongoing work, only for one-time events or needs.

SOF SUPPORTS:

The following list illustrates the range of activities for which artists can receive assistance from Untitled. It does not include all possible opportunities eligible for support.

- Costs for materials and supplies required to make or finish work that is related to a specific, unique opportunity.
- Support for an upcoming exhibit (rental of equipment or instruments, lighting, framing or publicity expenses). This could also include childcare or dependent care expenses that would allow an artist to take advantage of a specific opportunity.
- Funding for time spent working toward an exhibit that is “sponsored” by Untitled.
- Support for artist development or career advancement (workshops, travel, apprenticeships) not related to any degree program.
- Support for construction of studio space in an artist’s house, renovation of an existing studio, or the purchase or repair of specific studio equipment.
- Other special, one-time needs directly related to an artist’s career, such as legal or accounting fees.

SOF WILL NOT SUPPORT:

- Tuition, books, or fees for matriculating students.
- Expenses involved in establishing, maintaining or administrating an organization or company.
- Costs involved in real estate purchases.
- Reimbursement for expenses already incurred.
- Activities connected with an applicant’s employer.
- Teaching opportunities.
- Ongoing work not related to any special opportunity.

FREQUENTLY ASKED QUESTIONS

Q. *Who can apply?*

A. Any artist who has shown with Untitled within the last 12 months and is over 18 years of age. Priority will be given to applicants who are permanent residents of Davidson County/Metropolitan Nashville and who ARE NOT full time students already receiving financial assistance. Artists who received an Untitled SOF grant in the previous year are not eligible to apply the following year.

Q. *What is the timeline for applying for a grant?*

A. Grants will be awarded biannually. **The application deadlines every year are June 30 and December 31**, and the grant committee will meet in July and January. Applications must be

postmarked by the deadline. Late applications cannot be accepted. **AN ARTIST MAY APPLY ONLY ONCE IN ANY TWELVE MONTH PERIOD.**

Q. *When are recipients notified of their awards?*

A. Recipients will be notified by August 15 for the summer grant cycle and February 15 for the winter grant cycle.

Q. *What is the selection process?*

A. A team of independent judges selected by the Untitled board will evaluate the applications and select the recipients. Untitled reserves the right to not award any grants in a given cycle if there are no qualified applicants or if our funding sources are reduced.

Q. *What do the judges consider?*

A. Because the purpose of the SOF award is to advance an artists' work or career, applications should clearly describe the concrete impact the artists' career will gain from the proposed opportunity. Artists at all stages of their careers are encouraged to apply. An important element of the judges' work is to compare the resume and other submitted material (such as images, etc.) to the opportunity being applied for. The judges determine if the opportunity will be a challenging experience or fulfill a significant need for the artist, based on the artists' career as the resume describes it. The merit and feasibility of the opportunity will also be considered, as well as the artist's financial need.

Q. *How much money is available?*

A. Amounts awarded for Special Opportunity Funding range from \$100 to \$1,000 depending on the amount requested by the applicant.

Q. *What if I collaborate with someone?*

A. Applications for collaborative proposals between two or more artists must be made in the name of one artist with the other artist(s) listed on the application form. One application will be accepted per collaborative pair or group; however, resumes from all artists must be included. Artists applying collaboratively should document a history of working together, if any.

Q. *If I receive an award, what must I do?*

A. Upon receiving notice of the award, the artist must show proof of identification as a condition for releasing funds. Depending on the grant, Untitled may require submission of receipts, a record of expenses, and/or a one-page final report by the prescribed deadline. Any unused funds must be returned within 6 months of receipt of the award. Artists who fail to provide requested documentation or return unspent funds will forfeit the chance to apply for SOF funds in the future.
